LOCAL RULES AND INFORMATION

- Practice putting is prohibited on the green last played. Undue delay, slow play (Rule 6-7) on the golf course could result in a penalty.
- Male players age 15-64 use the **white tees**; Women, males 65+ and players under 15 use the **red tees**.
- **Scramble Format:** Both players hit, choose the best result, and both play from that spot. Continue in that manner until the ball is holed. Improve your lie within one club length of the original ball position. You may not improve your position, such as going from rough to fairway; fairway to fringe; or move out of a bunker.
- Play is governed by the rules of golf of the USGA, and where applicable by the local rules and definitions. Unless defined, penalty is two strokes for breach of local rule.
- **Lost Ball** – Local Rule allows golfers to drop the ball in the fairway within two club-lengths of the fairway edge or anywhere between there and the estimated location where the ball went out of bounds or is lost under a two-stroke penalty.

FORMAT

- The format is **Scramble**.
- Flights will be determined after the round; scores will decide flight winners.
- If there is a tie for lowest score, the tie will be settled by a sudden death playoff using Scramble format. All other ties will be decided using the scorecard, starting with the number one handicap hole.

ATTIRE, CONDUCT

- Proper golf attire is required. Blue jeans, tee shirts and tank tops are prohibited. Shorts must be at least mid-thigh. Golf shirt, buttoned and tucked in, with collar is required. This dress code will be used in conjunction with any additional dress codes used by the host course. Any act of unsportsmanlike conduct, including the use of obscene or abusive language, will be cause for disqualification.

Good luck to all contestants and thank you for your support of your association. Your expressions of thanks to the members and staff of the host course are always appreciated.
